

Catching Operatives

Pay Rate £17.85 per 1000 birds caught

A typical working day would consist of 30,000 to 40,000 birds being caught.

5 day working week (Mon to Fri)

Highbury Poultry is a chicken processing business based in rural Shropshire who produce quality fresh and frozen British chicken.

An opportunity has arisen for Catching Operatives to join our team in Whitchurch, Shropshire.

The Catching Operative will work across various farms within the local area.

The successful candidate will have a can do attitude, and be able to work within a team. With excellent time keeping, good communication, the successful candidate will be able to work to deadlines and work under pressure.

For an informal discussion about the role or application form please contact Stephen Peake, HR Advisor on 01948 842328 or send your CV and covering letter to stephenp@highbury-poultry.com
