

Production Operatives (Temporary and Permanent)

£9.75 per hour plus opportunities for overtime

40 hours per week as per rota

Highbury Poultry is a chicken processing business based in rural Shropshire who produce quality fresh and frozen British chicken.

An opportunity has arisen for Production Operatives (Temporary and Permanent) to join our team in Whitchurch, Shropshire.

The Production Operative will work on various lines to prepare and pack raw poultry products for a variety of customers.

The successful candidate will have a can do attitude, and be able to work within a team or on their own. With excellent time keeping, good communication the successful candidate will be able to work to deadlines and work under pressure. The successful candidate will ideally hold a level 2 in basic food hygiene or will complete training in the role and will be eligible for this certificate after 12 weeks continuous employment.

The role benefits from free onsite parking, a subsidised canteen and free transport from selected areas.

For an informal discussion about the role or application form please contact Stephen Peake, HR Advisor on 01948 842328 or send your CV and covering letter to stephenp@highbury-poultry.com.
